Skills

Graphic design, vector based art, motion, fine art, storyboard, concept art, 3D design, font creation, logo, photography, lighting

Strengths: Acute eye for composition, color, and layout. Self starter, play well with others

Experience

A Day Late In Oakland (Berkeley School of Journalism Student Documentary) 05/2008
Motion Graphic Designer
Created opening and closing title sequences, lower third id's and extra commentary blurbs throughout documentary.

Streets are Haunted (Bay Area Rock Band Music Video) 08/2008
Motion Graphic Designer, Producer, Director, Cameraman, Grip, Editor, Caterer
Worked in a group of three to concept, story board, film, and produce a 3 minute music video. Employed green screen footage on top of 3D modeled environments into a final composite in After Effects.

Continental Re-brand 01/2009
Graphic Designer (Mock Re-Branding)
Worked in a team to concept a compelling rebranded identity for established airline company. Created logo, airplane tail wing art, ticketing counter art, as well as airline ticket design, created thirty second commercial spot to elicit loyalty to old patrons as well as exemplify a fresh image to attract new customers.

Employment

Talbot Events 06 - 08
Promotional Advertisement Installations
Prepared retail and wholesale companies for grand opening and other special events and sales. Analyzed locations for high traffic areas to install promo décor in appropriate locations. Retrofitted fifty foot inflatable displays.

Borders Books 02 - 05
Book seller, music seller, café, inventory team.
Managed inventory doing daily shipping and receiving duties. Worked in fast paced café filling customer orders and managed special book signing and lecture events. Worked on sales floor to find or recommend products to customers.

Education

Ex'pression College For Digital Art 05 - 09
Bachelor Of Applied Science; Motion Graphic Design
